STUDENT FINANCIAL AID

I. GENERAL INFORMATION AND POLICIES

A. You must be **ACCEPTED** for admission or be currently **ENROLLED IN A DEGREE PROGRAM** to receive Financial Aid. Students who are in conditional, special admissions, or nondegree status are NOT eligible for Federal Financial Aid.

B. Students applying for Title IV Federal Assistance must complete the Free Application for Federal Student Aid (FAFSA) and **MAIL THE FAFSA** to the central processor. The address is on the envelope included in the FAFSA. You must enter The University of Memphis Title IV code (003509) in Section H of the FAFSA in order for your results to be sent to our institution.

C. Students must also **SUBMIT THE FAIF** (The University of Memphis Financial Aid Information Form) directly to the Student Aid Office (312 Scates Hall, Memphis, TN 38152).

D. Preferred FAFSA and FAIF submission and processing dates for the current 1995-96 year are:

Semester	Preferred Date
Spring 1996	Oct. 15, 1995
Summer 1996	April 1, 1996

E. **FOR 1996-97**, the FAFSA and the FAIF should be mailed between **February 1, 1996,** and **March 15, 1996**. Specific details for processing will be available in the Student Aid Office beginning January 2, 1996.

F. If you have attended any college, university, or post-secondary institution(s), you must have the Financial Aid Office at your previous school(s) complete a **FINANCIAL AID TRANSCRIPT** and forward it directly to The University of Memphis Student Aid Office. A Financial Aid Transcript is required even if you did not apply for or receive Financial Aid at the previous school(s) you attended. **A Financial Aid Transcript is NOT the same as an Academic Transcript of your grades.**

G. When your FAFSA is processed by the central processor, a confirmation letter and a **Federal STUDENT AID REPORT (SAR)** will be sent to you (usually within four weeks). Immediately, review the SAR for accuracy. If corrections are needed on the SAR, make them on Part 2 of the SAR, then sign, date, and return Part 2 to the address listed on the SAR. After corrections have been received, you will receive a new SAR. Be sure to keep your SAR for your own records.
When the FAFSA results are received and reviewed by The University of Memphis Student Aid Office, **OTHER REQUIRED DOCUMENTS** (i.e. tax return(s), verification form, etc.) may be requested. Any documentation requested should be submitted by **November 15, 1995**. An award cannot be made until all required documents are submitted.

H. To receive a student loan, you must have a minimum cumulative **GRADE POINT AVERAGE** (GPA) of **2.0** (undergraduate/law) or a **3.0** cumulative GPA as a graduate student. Satisfactory Academic Progress determination and student loan requirements include all academic work at The University of Memphis and academic work at any other institution(s) attended.

I. All Financial Aid/Scholarship awards are normally in **TWO DISBURSEMENTS**. If your award covers the Fall/Spring semester, you will receive the first half for the Fall term and the second half for the Spring term.

If your award covers one term (i.e. Fall, Spring, or Summer) only, you will receive all monies at the beginning of the semester **EXCEPT** when a Direct Stafford or PLUS loan is involved. According to Federal guidelines, these funds must be disbursed in two disbursements. You will receive the first half of the loan at the beginning of the term and the second half at the mid-point in the term.

J. For Title IV Federal Assistance, students must make **SATISFACTORY ACADEMIC PROGRESS**. Undergraduate students' maximum time frame for completion of their first degree is also limited to 150 percent of the published length of their degree program (e.g. for a standard undergraduate degree program that requires 132 earned hours for completion, the maximum allowable attempted hours to receive financial aid would be 198). The maximum limit includes all hours (withdrawals, drops, repeated, or failed classes) attempted at The University of Memphis or at any other post-secondary institution.

K. **MORE INFORMATION** regarding application procedures, need determination, award packaging, or satisfactory academic progress may be obtained from:

1996 Fall

REQUIRED ACTION IN FEBRUARY AND MARCH

Every student enrolled in the Spring semester who desires financial aid for the 1996 Fall semester (either receiving or not receiving financial aid in the 1996 Spring) is **EXPECTED TO SUBMIT** the 1996-97 FAFSA and the FAIF between **FEBRUARY 1, 1996, AND MARCH 15, 1996**. The Financial Aid Staff will process the request for financial aid during April 1996 concurrent with the student's academic advising and course registration (during April) for the 1996 Fall semester. It is important that every student be advised academically, register for fall classes, and receive an official Financial Aid Award before the last class day on May 1, 1996. This is important so that each student will be given **MAXIMUM CONSIDERATION** for available financial aid before attention is given to new students in May who will be entering for the Fall 1996 semester.

ACADEMIC ADVISING

STATEMENT OF PHILOSOPHY

The University of Memphis is committed to quality academic advising to foster student growth and development. The main elements of quality advising consist of promoting the understanding of the aims and purposes of higher education; providing information and resources about the University's programs, opportunities, and requirements; and assisting students in identifying their educational and career goals.

The academic advising process involves many segments of the University community including students, faculty members, professional advisors, counselors, administrative staff, and student peers. Advisors and advisees should seek to integrate the services and expertise of both academic and student affairs professionals.

ALL degree seeking students at The University of Memphis must obtain an Advising/ Registration Planning Sheet from an advisor. Students should contact the appropriate advising area to set up an advising appointment **in advance of** the day for registration.

CLASS CANCELLATION and INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each division. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence unless administrative offices are also closed. (University Procedure 2A:16:01A)

DISABLED AUDIT and CREDIT REGISTRATION

Persons suffering from a permanent disability which totally incapacitates them from working at an occupation which brings an income and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability. Eligible students may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester.
University Health Services shall examine certification of permanent disability and determine the eligibility of the applicant. This determination will allow the student credit from the time proper certification of permanent disability is approved through University Health Services.
Inquiries concerning these programs may be addressed to Registration and Scheduling, Room 167, Administration Building, 678-2675.

GRADE REPORTS

A grade report is mailed to the permanent address of each student at the end of the semester. The grade report will show the grades received and grade point averages.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding obligations to the University. When those obligations have been resolved, students may obtain their grade reports in Student Information Services, Room 119, Administration Building. Photo identification is required prior to release of grade reports. Grades will not be released by telephone.

PROBATION/SUSPENSION - UNDERGRADUATE

(ACADEMIC STATUS AND RETENTION)

Students will be notified of their academic status at the end of each semester through their official grade report. Students who do not receive their grade reports in the mail should pick up a copy of their grades in Room 119 of the Administration Building. A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Academic Status and Retention Services Office, Room 117, Administration Building.

Regardless of academic status, students will be allowed to select classes for the following term(s). However, students whose final grades for any term result in an academic suspension will be automatically withdrawn from the University before the next term's classes begin. If the grade report indicates suspension, see below for the required time out of the University prior to readmission.

UNDERGRADUATE ACADEMIC RETENTION SCALE

Cumulative Hours Attempted	Minimum QPA
0 - 14.99	No Minimum
15 - 29.99	1.40
30 - 50.99	1.70
51 - 67.99	1.90

REPETITION OF COURSES

An undergraduate student may not attempt the same course more than three times for the purpose of obtaining a higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must by approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's grade point average will be computed as follows:

Number of Attempts	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and	Grade earned in 2nd attempt
subsequent	averaged with grade(s) earned in ALL subsequent attempts

Graduate students may NOT attempt a course more than twice for the purpose of obtaining a higher grade. A maximum of two courses may be repeated to improve the grade.

The record will continue to reflect all grades earned in the same course.

SENIOR CITIZEN AUDIT / CREDIT REGISTRATION

Persons who will become sixty (60) years of age during the academic semester in which they begin classes, and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability. Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. Direct inquiries to Registration and Scheduling, Room 167 Administration Building, 678-2675.

STUDENTS WITH DISABILITIES

Early registration authorization cards will be issued by Student Disability Services (SDS) to enable eligible students to adequately plan for disability related needs. Students employed as personal attendants or academic aids for students with disabilities are also eligible for early registration authorization cards in order to arrange their schedules to accommodate the students for whom they work.

REGISTRATION PROCEDURES-Students With Disabilities

1. See advisor for academic advising.
2. See SDS staff for assistance in planning schedule, if needed.
3. Pick up early registration authorization in SDS prior to registering.
4. Take Registration Permit and Planning Sheet with the early registration authorization card to Registration Center.
5. After registering, contact SDS to schedule an appointment with your Services Coordinator for a Needs Assessment so that necessary accommodations services, and resources can be planned before the beginning of the semester.
6. If courses are dropped or added after the Needs Assessment has been done, go back to SDS to adjust Needs Assessment.
7. Students whose tuition is paid by a rehabilitation agency should notify the rehab counselor of the fee payment deadline and provide a copy of your last semester grades so that your tuition authorization can be prepared. Make arrangements for your authorization to be sent to the Bursar's Office.
8. **Important!** If you register and if your authorization is received by the University before the fee payment deadline, a receipt will be automatically processed and mailed to you. **If you do not register in November and wait until Last Call registration to register, you must physically process your authorization in the Fee Payment Center before your payment deadline or your class schedule will be purged form the computer.** In either case, if you have a problem getting your authorization on time, contact SDS and request to be placed on the "hold" list. Doing so will extend your fee payment deadline and avoid having your class schedule deleted.

If you have questions, please contact Student Disability Services, Room 215, Scates Hall, 678-2880 (Voice and TDD).

TRANSCRIPT REQUESTS

Transcripts are issued only at the request of the student in person, by letter, or by FAX. No transcript will be provided for a student who has any outstanding obligation to the University. There is no fee.

TRANSFER CREDIT/U of M STUDENTS

For information about the transfer of graduate credit contact the Graduate School, Room 315 Administration Building, 678-2531.

WITHDRAWAL PROCEDURES

Students who wish to WITHDRAW (drop all classes) should bring a photo ID to Student Information Services, Room 119, Administration Building. Withdrawal and refund deadlines are stated in the Semester Calendar, page 3. A grade of "W" will be assigned to all courses dropped after January 25, 1996.

Students who pay in advance and are unable to attend the Spring 1996 semester must formally process a withdrawal by January 19, 1996, to avoid having an academic record (official term grades recorded). Failure to officially withdraw will result in grades of F for the courses in which the student is enrolled.

– PARKING SERVICES –

Office Hours M - TH 7:00AM to 6:00PM and FRI 7:00AM to 4:30PM

About Your Permit: Each student is issued a permanent parking permit (hangtag) with a semester validation sticker. The permit will be kept by the student each semester for proper identification of your vehicle parked on campus.

Validation Stickers: The Bursar's Office will issue the semester validation sticker upon receipt of fee payment.

Premium Parking: You can purchase gated access in all lots where space is available at an additional cost.

Parking Garage: Students may use the parking garage at $.50 per hour maximum charge of $2.50. A $1.00 discount will be given to those students displaying a valid hangtag.

Replacements: You will be charged a $10 replacement fee for a LOST or STOLEN hangtag and you must report the loss to Parking Services (678-2212).

A valid parking hangtag does not guarantee a parking space will be available. It is the driver's responsibility to locate an authorized parking space and to abide by the parking rules and regulations of the University of Memphis. Citations will be issued, and vehicles may be towed for violators.

WE'LL GIVE YOU 10 WEEKS.

Ten weeks may not seem like much time to prove you're capable of being a leader. But if you're tough, smart and determined, ten weeks and a lot of hard work could make you an Officer of Marines. And Officer Candidates School (OCS) is where you'll get the chance to prove you've got what it takes to lead a life full of excitement, full of challenge, full of honor. Anyone can say they've got what it takes to be a leader, we'll give you ten weeks to prove it. If you've got what it takes to be a leader in our company, call Captain Simmons at 1-800-621-5510.

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer, 110 Brister Tower. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (Room 119, Administration Building 678-2996). New students should be prepared to furnish the following items as needed: an original VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or disability and/or veteran status.

Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories verbal, visual, and physical. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to

   1. Refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. Promising a work-related benefit or a grade in return for sexual favors
   3. Suggestive or inappropriate communications, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. Sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. Suggestive or insulting sounds
   6. Whistling in a suggestive manner
   7. Humor and jokes about sex that denigrate men or women
   8. Sexual propositions, invitations, or pressure for sexual activity
   9. Implied or overt sexual threats
   10. Suggestive or obscene gestures
   11. Patting, pinching, and other inappropriate touching
   12. Unnecessary touching or brushing against the body
   13. Attempted or actual kissing or fondling
   14. Coerced sexual intercourse
   15. Sexual assault

   Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the

context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security, and crisis intervention centers may supersede the process developed under this Guideline.

C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way which abuses or offends their coworkers.

D. Generally, harassment on the basis of religion, disability, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs, University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges of harassment should be directed to the University Affirmative Action Officer, Administration Building, Room 160, for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:1204A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and staff where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures as stated herein.

The President has assigned the University Equal Employment/Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

A. Complaint by faculty member or staff against student - Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and disposition.

B. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA Officer. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Preliminary Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the charge to the designated EEO/AA Officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. The EEO/AA Officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA Officer will still investigate the allegations, and recommend to the President appropriate action. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
3. The EEO/AA Officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
4. The EEO/AA Officer may meet with both parties for the purpose of resolving the charge informally.
5. The EEO/AA Officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA Officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA Officer and all attempts to resolve the charge informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA Officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established The University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at The University of Memphis, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her.

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.

3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate The University of Memphis official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III.16 on page 15 of 19.

PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students have the right to file complaints with The Family Education Rights and Privacy Act Office concerning alleged failures by the institution to comply with the Act. A copy of the Act and The University of Memphis Procedure - Privacy of Education Records - may be read in the offices of the Registrar or the University Counsel.

Disclosure of Education Records

The University of Memphis shall not permit access to or release of any information in the Education Records which is specifically identifiable as referring to any student, other than Directory Information, without verification of the written consent of the student to any party other than those listed in the Student Records Access Procedure.

Directory Information

"Directory Information" is defined as: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full- or part-time status), and the student's classification (level).

Restricted Release of Directory Information

After a student registers for courses, the student may personally complete a written request in Student Information Services (Room 119, Administration Building) that directory information for that student not be released. This notification is effective only for the one semester for which the student is then registered. Such information will then be withheld if the form is completed by the 14th day of classes.

Access to Records

To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

THE UNIVERSITY OF MEMPHIS'S POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.
   - At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
   - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.
   - Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled sub-stance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or college campus (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infections increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contracted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298.

CRIME AWARENESS AND CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D:06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose.

Generally, buildings other than residence halls are secured by 10:00pm each evening. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.

3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

   Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The University of Memphis Department of Public Safety receives a monthly Integrated Computer Apprehension Program (ICAP) report of criminal offenses committed in the general neighborhood surrounding the University from the Crime Analysis Unit of the City of Memphis Police Department. Reported offenses include aggravated assault, sexual assault, robbery, burglary, larceny, and motor vehicle theft. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a The University of Memphis student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.
6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.

PARKING REGULATIONS

The U of M Parking Office is located at 3918 Central Avenue. Regular office hours are 7:00am - 6:00pm, Monday - Friday, 678-2212.

Campus Traffic and Parking Regulations are available in the Parking Office, 3918 Central Avenue, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are permanent and are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

Parking lots are either Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 3918 Central Avenue.

Garage parking is available Monday through Friday at Deloach and Norriswood streets. Garage parking is $.50 per hour or a daily rate of $2.50. Parking permit (hangtag) holders will be provided a discount rate per day.

University Police officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.

The University of Memphis

It's One Of The Most Useful Credit Cards On The Planet. *Unless You've Stolen It.*

Your MasterCard® is stolen. You panic, get angry, panic some more. Then you call and cancel it. Now

the thief is in possession of, oh, about seven cents worth of stolen plastic.

(Maybe he can use it as a coaster when he entertains at the hideout.) So relax. You only have to pay for stuff *you* bought, and you can even get a new card the next day.* It'll be accepted at millions of places, one of which must sell wallets.

MasterCard. It's more than a credit card. It's smart money.™ MasterCard
